Email and mailing list

AFRINIC manages several mailing lists that are open to anybody who has an interest in the activities of AFRINIC working groups. Use the email contact below or click on a link to subscribe, unsubscribe, or change the preferences on your subscription.

AFRINIC related	Email contact
General	contact [at] afrinic dot net
Hostmaster	hostmaster [at] afrinic dot net
Billing	billing [at] afrinic dot net
DB-help	afrinic-dbm [at] afrinic dot net
New Member	new-member[at] afrinic dot net
Training	training [at] afrinic dot net
Services	services [at] afrinic dot net

How to subscribe to the mailing list?

There are two ways:

1. Filling the online form which can be obtained by clicking the different lists below.
2. By email: you can send a request to list_name-request@afrinic.net, with the word subscribe in the subject field.

Description	List Name	Archives
The IANA oversight transition proposal needs to have community support and input from the AFRINIC region and beyond and address the following four principles: • Support and enhance the multi-stakeholder model • Maintain the security, stability, and resiliency of the Internet DNS • Meet the needs and expectation of the global customers and partners of the IANA services • Maintain the openness of the Internet • This list will help to facilitate the discussion on this process.	IANA Oversight	IANA Oversight Archives
