

ADDENDUM TO AGMM2020 AGENDA ITEM 7 2020 NOMCOM REPORT

2020 NomCom Report

Introduction

The Nomination Committee 2020 mailing list was set up on 14th February and consists of:

Mr Mark Elkins (Chair)
Mr Wale Adedokun (The Board liaison)
Mr Caleb Ogundele
Mr Ousmane Ly

The Nomination Committee is responsible to ensure that appropriate candidates are nominated to contest for open seats and that all elections are successfully conducted according to current procedures.

This year was very different to any other year due to Covid-19. Everything was delayed or changed. There were also four Board seats to fill.

Eventually – there were enough nominations for each seat so that an election for every position would have to be held. Unfortunately – this changed over time due to invalid nominations or withdrawals.

What was surprising was 11 Nominations in total for the PDWG Co-Chair. Some however were duplicates and others withdrew immediately. We still had 8 Nominees so resorted to examining the involvement that each of the Nominees historically had with the RPD list to reduce this to 4 suitable candidates.
