# AC Issues and Activities

## IPV6 allocation Policy

- ASO community is considering global IANA IPv6 address allocation policy.
- Through the Regional Internet Number Registry Public Policy Forums, the ASO community is considering global policy proposals that will govern how IANA allocates IPv6 address blocks to the RIRs.
- Proposals have been introduced in all of the RIR communities. The proposals are currently being discussed through RIR mailing lists, and the global IPv6 mailing list.
- ASO and NRO encourage all who are interested in IPv6 policy to join these discussions and to participate to AfriNIC public meetings where this issue has been added to the agenda.
