Myafrinic v2 - Long awaited Upgrade

- **Member Resource Management Portal**

Myafrinic has been the primary GUI for IP resources and related services for close to 20 years

Current system lacks the workflows for modern usability and interoperability

**Development work started in 2020 but faced multi year budgetary constraints
Golive is planned for end of 2026.**

RPKI ROAs for Unallocated and Unassigned AFRINIC Address Space

- Delayed due to staffing constraints.

Implementation via Krill has now been tested internally.

Beta release targeted by end of June 2026.

Will be fully implemented after the golive of myafrinicv2
