

MyAFRINIC

AFRINIC

What is MyAFRINIC?

MyAFRINIC is a web portal designed to help AFRINIC members easily manage their contact information, resources and billing through a simple and user-friendly graphical interface.

How Do you Log On to MyAFRINIC?

If you are a registered contact for your organisation, you can request your account to be activated by sending an email to: myafrinic-activate@afinic.net with your name, whois NIC-Handle and organisation. After a verification process, our staff will activate your account and email you a password to sign in with.

What Do I Need to Start Using MyAFRINIC?

You need to have an up-to-date web browser, be an AFRINIC member in good standing and have the accounts of your registered contacts activated.

How Do I Register as an AFRINIC Member?

You can register as an AFRINIC member by filling in the details of your organisation, providing relevant contacts and type of membership required at : <https://my.afinic.net/registration>

You will receive a notification email with an attachment of the Registration Services Agreement. AFRINIC Member Services staff will then contact you to process your application.
