Dear Mr Jean-Robert Hountomey,

The governance Committee received your request on 'How to add Board suspension and removal procedure by members in AfriNIC's Bylaws' Thursday, 22 March 2018 on the community-discuss mailing list.

AFRINIC does not have a procedure for members to remove directors. However, the Governance Committee, as part of its work has made a review of Afrinic bylaws and the resolutions proposed by the board in Mauritius during AFRINIC-25 meeting.

The Governance Committee will be advising the community on a number resolutions which will include recommendation for the removal of board directors by AFRINIC members.

Warm Regards,

The Governance Committee
